Dear Sir/ Dear Madam,

The „Dimitrie Cantemir” Christian University, through its Institute of History and Cantemirian Studies, and in cooperation with its inland and abroad partners has the honor to kindly invite you to the sixth edition of the international conference, on „*Dimitrie Cantemir’s work – a foundation towards the Romanian nation-unity state*”, in November 23-25, 2017, dedicated to Dimitrie Cantemir, the great prince and scholar, and his works.

This edition of the conference is part of the events organized by the „Dimitrie Cantemir” Christian University dedicated to the centenary of the Great Romanian Union (1918-2018).

The conference works are organized in five sections:

Section I: Dimitrie Cantemir’s works as seen in the Transylvanian School approaches;

Section II: The Enlightenment representatives’ support to founding national united states in Europe;

Section III: Dimitrie Cantemir’s works reflected by the philosophy of law and by the European ideas of national unity;

Section IV: Dimitrie Cantemir- a forerunner of the European sociology;

Section V: Tradition and modernism in Dimitrie Cantemir’s political thinking.

Since its very beginning, the „Dimitrie Cantemir” Christian University has been focused on evoking the complex personality of Dimitrie Cantemir, the university spiritual patron, by stimulating scientific research in the field of history and cultural patrimony, as well as the integration of the Romanian scientific community in the international scientific activity.

Our University international conferences are outstanding events of the Romanian academic and cultural environment, while their high scientific standard is world wide acknowledged.

All details with regard to conference works and registration can be found at <http://deode.ucdc.ro/inscrieri.html>.

Sincerely yours,
The organizing committee.
